1. About Wayne Scott-Fox

Wayne Scott-Fox is a UK-based sole trader providing website design, branding support, local SEO, AI-assisted workflows, automation, digital systems support, platform builds and consulting-style services. This includes the creation and sharing of educational content, market commentary and observations related to crypto, stocks, macro trends and financial markets.

2. Educational and Informational Content

All market-related content published by Wayne Scott-Fox, including articles, videos, posts, newsletters and other materials, is provided for educational and informational purposes only. It consists of personal commentary, observations and general analysis based on publicly available information.

3. No Regulated Financial Advice

Wayne Scott-Fox is not an FCA-regulated financial adviser, investment manager, broker or financial institution. Nothing in any content should be interpreted as regulated financial advice. We do not provide personalised recommendations or advice tailored to individual circumstances.

4. No Investment Recommendations

Our content does not constitute a recommendation to buy, sell or hold any particular asset, security, cryptocurrency or investment product. Any views expressed are for discussion and educational purposes only.

5. No Guarantees or Predictions

We make no guarantees, warranties or representations regarding the accuracy, completeness or timeliness of any information provided. Past performance is not indicative of future results, and we do not predict market movements.

6. Market Volatility and Risk

Financial markets, including cryptocurrency markets, are highly volatile and involve significant risk. Values can fluctuate rapidly, and you may lose some or all of your invested capital. Always conduct your own research and consider your personal financial situation before making any decisions.

7. Personal Responsibility

You are solely responsible for your own investment and financial decisions. Any actions you take based on our content are at your own risk. We encourage you to seek advice from qualified professionals where appropriate.

8. Accuracy and Timing Limitations

Market information can change quickly. Content may become outdated, and we do not undertake to update it in real-time. Always verify current information from reliable sources before acting.

9. Third-Party Sources

We may reference or include information from third-party sources. While we aim to use reputable sources, we cannot guarantee their accuracy or reliability.

10. Crypto-Specific Considerations

Cryptocurrencies are a relatively new and highly speculative asset class. They are subject to additional risks including regulatory changes, technological issues, market manipulation and extreme volatility.

11. No Fiduciary Relationship

Engaging with our content does not create any fiduciary, advisory or client-professional relationship between you and Wayne Scott-Fox.

12. Liability Limitations

To the fullest extent permitted by law, Wayne Scott-Fox shall not be liable for any direct, indirect, incidental or consequential losses arising from the use of, or reliance on, our content.

13. Governing Law

This disclaimer is governed by the laws of England and Wales. Any disputes shall be subject to the exclusive jurisdiction of the courts of England and Wales.
